

Christmas is a season of giving and sharing with loved ones and those less fortunate than ourselves. Our students are learning to give with donations to the Food Bank and the "CUPE PJ Drive". During the holidays you will also have the gift of time - time to celebrate each of our special and unique families, time to spend together as a family, time to travel and visit loved ones, time to rest and renew. Our wish from BACS is that you all have a wonderful Christmas season and focus on your blessings - because that is what Christmas is all about.
