4.0 Reports

4.1 Admin

- Student roster is significantly up at 239, this has allowed us to maintain two classes for each grade and has also brought some new staff to the school.
- \$1,500 was raised towards the Terry Fox run
- There is a new curriculum for K-3 for math and language arts, this will bring change in the parent portal gradebooks. Specifically impacting the formative and summative categories, lots of information will be provided to parents.
- This week is National Truth and Reconciliation week, activities have been held all week
- Nutrition program is up and running, budget is very tight with the increased number of students. Community breakfast will be coming with a monthly assembly in the gym.
- There are 38/44 students enrolled in the rec academy for grade 4's.

4.2 Teachers

- See attached report

4.3 Trustee

- See attached report
- Additional discussion was held around the widespread issues with bussing and frustration from parents. Will be taken back to the division.
- Provincial regulations suggest the radius for bussing is 2.4km, this needs to be reconsidered for rural schools, advocate to your government representative.
